Biographical Information

Education

University Degrees

Michigan Technological University, Houghton, MI, USA

PhD in Computer Engineering Dec 2016

- Advisors: Laura E. Brown and Timothy C. Havens
Dissertation Title: Representation and Analysis of Multi-Modal, Nonuniform Time Series Data: An Application to Survival Prognosis of Oncology Patients in an Outpatient Setting
- Research areas: Engineering Education, Curriculum Development, and STEM Outreach

MS Computer Engineering Aug 2014

Alfred University, Alfred, NY, USA

MS Electrical Engineering May 2010

- Advisor: Jianxin Tang
Thesis Title: Magnetic Levitation Bearing and Control System for Application to Wind Turbines
- Additional research: Genetic Algorithms for Medical Diagnostics

BS Electrical Engineering May 2008

- Minor: Materials Science Engineering
- Advisor: Walter Schulze
Thesis Title: Spontaneous Discharge of Polarization in Two Types of PZT-4 as a Function of Time at Open and Short Circuit Conditions
